

# Adult Summer Social Circle

As we wrap up a year of pandemic life, we are looking forward to organizing an in person social group for adults with Down syndrome. The objective of this group is to provide a space where adults can reconnect with their peers and be involved in the process of planning and making decisions about their group activities. A future goal for this group is to plan bigger social events for larger groups. Other activities could include cooking, guest speakers, outings to local cafes and restaurants, sports, music, art etc.

The Adult Summer Social Circle is facilitated by Liv Meriano, M.Sc., R.SLP, S-LP(C) and DSRF Teaching Assistant Aja Masters.
