

# Friday Reads! - 2019

Join your friends to explore new books as well as current events in your community, Canada and the world. We will read books as a group and explore themes that connect to your real- life experiences in a book club format, as well as research topics of personal interest and make presentations to the group. There is no prerequisite reading level, but students who require one to one support must provide their own support.

This program is taught by Aja Masters, who has been a Teaching Assistant at the DSRF for 3 years, as well as the Summer Program Coordinator. Aja graduated from SFU with a major in Psychology and a minor in Learning and Developmental Disabilities.
