

# Friday Reads!

Join your friends to explore new books as well as current events in your community, Canada and the world. We will read books as a group and explore themes that connect to your real- life experiences in a book club format, as well as research topics of personal interest and make presentations to the group. There is no prerequisite reading level, but students who require one to one support must provide their own support.

This program is taught by Aja Masters, who has been an Instructor and Summer Program Coordinator at DSRF for 4 years. Aja graduated from SFU with a major in Psychology and a minor in Learning and Developmental Disabilities. She is currently completing the Employment Supports Specialty Advanced Certificate at Douglas College.
