

Day 2 Get Ready for Reading and Spelling!

Make Some Visuals

Print the following page of visuals to be used with reading and spelling activities. In case you don't already have one, we have included a "working for" reward chart as well as a written schedule template. The last is a four-space grid for learning sight words- you can print a few or just draw it on blank paper.

Gather Supplies

You don't have to go out and buy these things (please don't!), but if you already have them around the house, gather them all together for use in various activities. If an activity requires something you don't have, you will most likely be able to find a substitute when the time comes.

Plastic sheet protector

Dry erase markers and Sharpies

Masking tape

2 large craft sticks

Plastic bowling set

4-6 Hot Wheels cars

Bean bag

Something stretchy (fidget toy, large rubber band)

4-6 plastic figurines, stones, poker chips or game pieces

Blank index cards- a dozen or so will be good to start (or paper cut into index card size)

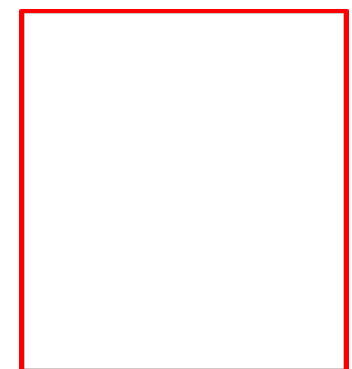

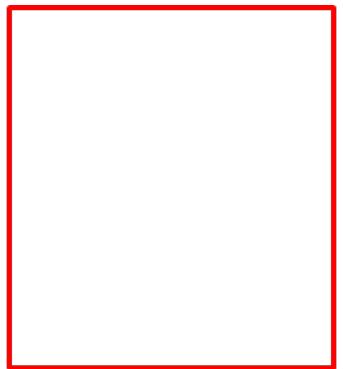

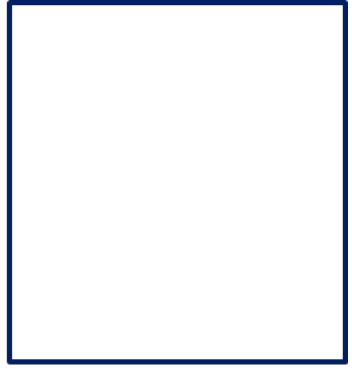

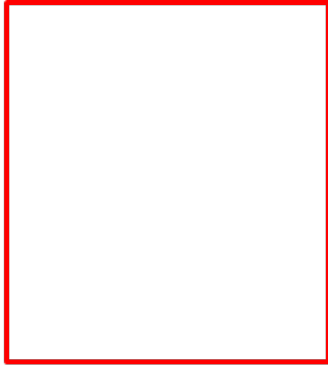

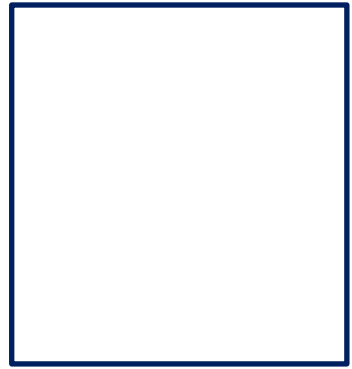

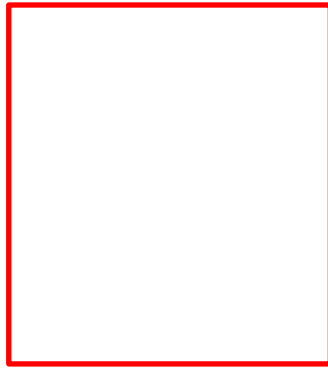

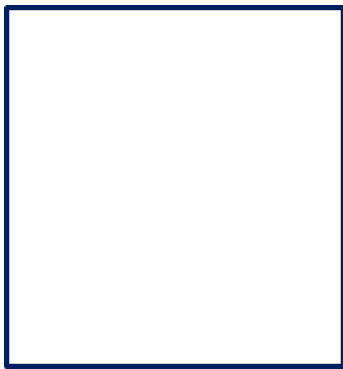

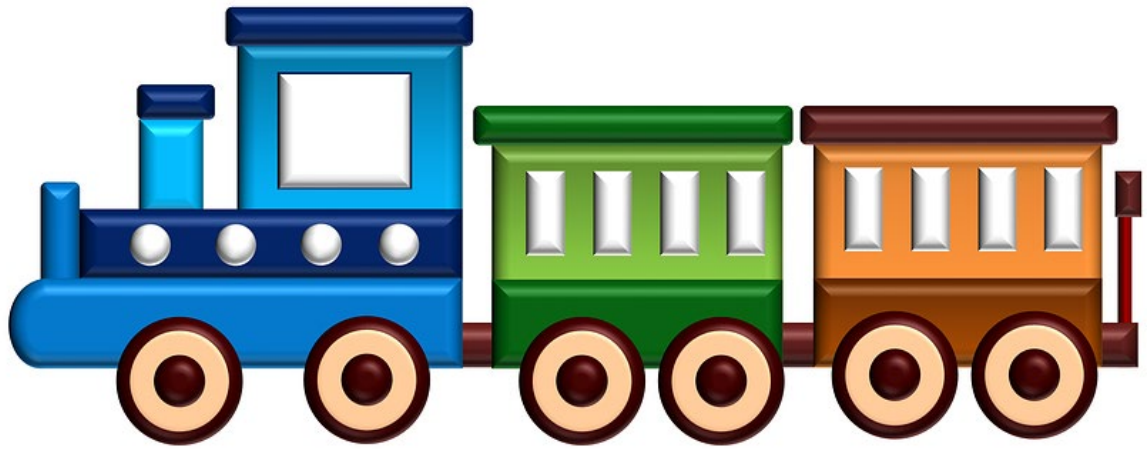

One or more of the following: puppet, fly swatter, flipper, lg. magnet or sm. magnet on a stick, pointer

Fun bag or container (to put letters and words into or pull them out of!)

Dry beans, rice or sand in a large container (for a sensory/ treasure hunt bin)

Tissue box (or similar), cut in half lengthwise

Working for: _____
