Operational Highlights

Introduced **new kindergarten readiness program** to help ease the transition for young children and their families as they enter school

Executed a **complete organizational rebrand** including new logo, colours, visual style and messaging

Launched **fully redesigned website** with new resources to better support the Down syndrome community

Returned to **in-person events**, including record-setting Run Up for Down Syndrome and four Up the Down Market Dinners

Released **short film** Minding My Own Business: Entrepreneurs with Down Syndrome

New Mission + Vision Statements

Our Mission:

Our mission is to **support** people living with Down syndrome and their families with individualized and leading-edge educational **programs**, health **services**, information **resources**, and rich **social connections** so each person can **flourish** in their own right.

Our Vision:

Our vision is a Canada that **values** and **empowers** people with Down syndrome, fostering economic, social, and individual **inclusion** throughout their lives.

"I am a teaching support assistant in the UK, supporting a 6-year-old girl who has Down syndrome. I came across DSRF and I am now a regular visitor to your organization for **ideas, advice and resources**. The information you provide is **absolutely first class**. The **videos are a fantastic resource** for me. The **podcasts are brilliant**; I love listening to them. In the 18 months I have been supporting this girl, **she has made remarkable progress** and this is based on the **quality information** you provide. I just wanted to share my appreciation of all you do. **I would be lost without you!**" - Educational Assistant, UK
