

Finding the Right Solutions for Your Hearing Needs

Hearing Solutions

Dedicated to the prevention and treatment of hearing loss, we are a fully equipped hearing health centre offering compassionate and client centered service in the Greater Vancouver area.

What We Offer

- FREE Hearing Tests
- FREE Earwax Removal
- FREE Hearing Aid Consultations
- Assistive Listening Device Fittings
- Tinnitus Management
- Custom Earplugs

What Makes Us Unique

As a non-profit organization, we can offer the latest advances in hearing aid technology at a price that is affordable. Through grants and subsidies, we can reduce the financial barriers that may prevent you from getting hearing aids you need.

We offer a fully accessible custom built sound booth and a state-of-the-art facility that allows us to help people with all types of disabilities.
